Exhibitor certifies that the named person(s) meet your eligibility qualifications. I further understand that badges are not to be issued to representatives of leasing companies, financial institutions, publishers, suppliers, vendors, or others who wish to gain admittance for the purpose of making contacts other than in our exhibit. Exhibitors may not register any person eligible for registration at General Registration. All people registered under your company name must be employees of your company. Should anyone request a different company or organization name on their badge they will be asked to pay the full attendee fee for that category. i.e. physician, distributor, non exhibiting industry. Should anyone from your company request CME credits, they cannot register as an exhibitor, but must register in the appropriate category. Example: physician, nurse, physician's assistant.
